

Job Specification

For: Estates Worker including bricklaying

Ref: VR/01315

Job Description

We are looking to recruit an individual to join our team on a private estate near Marlborough. The role is varied and involves duties across all functions of the Estate, including forestry work, landscape, countryside and grounds work, fencing and general building and property maintenance. We are also looking specifically for someone with bricklaying skills. The individual will be a supportive team player, who is self-motivated and thrives working with others but equally alone. The estate is currently 5000 acres and consists of residential and commercial property. There is an equine facility, an arable operation and livestock. The owner is renovating a stately home which he will live in one day. The estate is well financed and is moving forward at speed. It is an exciting place to work.

Specific duties:

- To ensure the estate is maintained and presented to an excellent standard
- Responsible for grass cutting, strimming, maintenance & upkeep of fences
- Clear up of fallen trees/tree limbs across the estate as required
- General estate & property maintenance including bricklaying and pointing.
- Supporting the livestock enterprise when requested

Skills & qualifications:

- Full, clean driving licence
- Experience of operating modern equipment (to include chainsaws, strimmers, ride-on mowers)
- Previous experience of driving tractors and operating related equipment desired but not essential.
- Bricklaying and pointing

Competitive salary offered (£30 to £35k). Discretionary bonus, pension contributions. Please note that no accommodation is provided.
